

MODERN SLAVERY DUE DILIGENCE SUPPORT

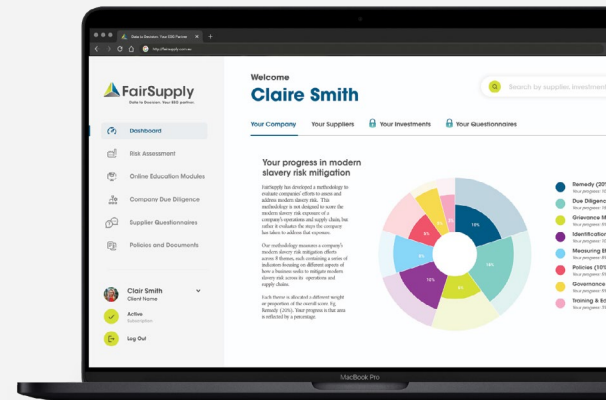

Best practice in addressing your Modern Slavery obligations requires:

- ✔ Rigorous and up-to-date supplier assessment
- ✔ Targeted and effective staff training
- ✔ Fair Supply and GRC solutions offer you the knowledge, technology, experience, and professional support you need.

Supplier Assessment Questionnaires **Made Simple**

Modern slavery risk assessment best practice demands due diligence on suppliers. FairSupply provides a fully customisable Supplier Assessment Questionnaire service.

Easily view, edit and submit supplier questionnaires. Monitor completion rates. All through our online platform.

Modern Slavery Australia e-learning course

Minimise your risk by ensuring your staff understand what modern slavery is, its prevalence in supply chains, how its use can most effectively be prevented by organisations, and their obligations under Australian modern slavery law.

The course is published in our ground-breaking Salt technology, with adaptivity in-built, and unparalleled deep analysis reporting functions.
